

If it's not far,

Holme Valley climate action. Parish Council

leave the car

Harry was going to work in his car,
When he thought, it's really not far!
He could just take his **bike**,
Or perhaps even **hike**,
And stop the planet from warming too far!

leave the car

Even though it's not very far,
Harry goes to school in a car.
But he knows this bad habit,
Is harming the **planet**,
So now takes his **bike** what a **star**!
